

Team Ferradermis Regional Code of Conduct - Milwaukee

It is required of each Ferradermis team member attending the Wisconsin Regional in Milwaukee to read and sign a copy of this form.

1. Team members should be prompt and prepared for all activities.
2. Team members shall keep their adviser informed of their activities and whereabouts at all times.
3. Team members shall follow the buddy system. No team member should be walking alone between the arena and the hotel or to any other outside destination. **Team members must not leave anyone stranded without a buddy.**
4. Team members should be financially prepared for all possibilities. Team members are on their own for meals. There is a free, hot breakfast at the hotel, and the team will go out for dinner on Wednesday evening.
5. Team members shall stay in designated housing, not with friends or relatives.
6. Roommates will be established in advance of traveling to Milwaukee. Team members must sleep in their assigned rooms.
7. Hotel room doors must be kept open wide at all times when members of the opposite sex are visiting.
8. Loud music is not allowed in hotel rooms or in the pits. Be courteous of your neighbors.
9. Any damages to property or furnishings in the hotel rooms or buildings must be paid by the individual responsible.
10. No alcoholic beverages, tobacco, vaping devices, or controlled substances, narcotics, etc., in any form shall be possessed or consumed by team members at any time, under any circumstances.
11. Team members shall not use their own cars or ride in cars belonging to others.
12. Safety glasses and closed toed shoes shall be worn at all times in the pit area.
13. Team members may not save seats in the arena; it is specifically against FIRST rules.
14. Team members agree to conduct themselves in a professional and ethical manner at all times and follow the directives of official regional staff, other adult supervisors, and hotel staff.
15. Team members violating or ignoring any of the conduct rules may be sent home immediately at their own expense. Parents and school officials will be notified.
16. The hotel offers a fitness center. Team members must have a buddy with them when using this location and not interfere with the ability of other guests to enjoy these amenities.
17. All team members must honor curfew. Curfew is planned for 10:30 pm, but mentors reserve the right to change the time of curfew. Curfew is defined as "all team members in assigned room." A good night's sleep is encouraged each night so everyone is alert and ready for competition.

I have read and fully understand all points of the Ferradermis Regional Code of Conduct form and agree to comply with these guidelines. I understand the necessity of these rules for the success of the team. Furthermore, I am aware of the consequences that will result from violation of any of the regulations.
